

Parking Pass Instructions

Congratulations on purchasing an off-street parking pass! Following the instructions below will ensure you have a pleasant experience using your off-street lot.

-*IMMEDIATELY* place your parking pass so that it *hangs* from your rearview mirror and is clearly visible

-Be sure to only use your pass in your registered vehicle

**-NEVER park in your lot without your parking pass!
Doing so is a guarantee that you will be towed!**

-Be sure not to block in any other vehicles without prior arrangements to move vehicles (leaving key copies, etc)

-Never park in your lawn! Only park in areas specifically designated for off-street parking
